Spring-Feed Theft Deterrent System

[www.rtcp ProfitGuard.com](http://www.rtcp ProfitGuard.com)

## Loss Prevention Technology

RBSS ProfitGuard™ addresses the needs of Razor Blade Loss Prevention by offering a theft-deterrent system centered around the ProfitPusher® front-facing system.

RBSS is a complete system that allows all razor products to be organized and secured using your existing shelves. An optional lockbox provides secured storage for excess inventory.

Minimizes Ability to Sweep Shelves
